* This piece was undertaken as part of a project sponsored by the National Endowment for the Arts under the Consortium Commissioning program. New pieces are simultaneously being written for the Berkeley Gamelan, Gamelan Si Betty (both in California) and Gamelan Pacifica (Seattle). In the course of the coming season, all these pieces will be exchanged and performed in various parts of the country by the four gamelans. This is the premier performance of Gamelan N.E.A. and the four composers will be present to speak about the piece. We thank Meet the Composer, Inc. for assisting us in this production.
