GAMELAN SON OF LION <www.gamelansonoflion.org> is a new music repertory ensemble and composers' collective based in downtown New York City. Active since 1976, the ensemble specializes in contemporary pieces written for the instruments of the Javanese gamelan, which traditionally consists of gongs, drums, metallophones and any instruments the composers choose to add.

Gamelan Son of Lion's 2014 season is supported by a grant from the New York State Council on the Arts
