Gamelan Son of Lion is a new music repertory ensemble based in downtown New York City and in Rockland County. It specializes in contemporary pieces written for the instruments of the Javanese gamelan: gongs, drums, various metal keyboards - in our case iron. The ensemble was founded in 1976 by a trio of composers. Its aim is to explore how the instruments can be adapted to a variety of contemporary music styles. <http://www.gamelansonoflion.org>

The Shadows of Treason is made possible, in part, with funds from the Community Arts Grants program of the Arts Council of Rockland and the New York State Council on the Arts with the support of Governor Andrew Cuomo and the New York State Legislature.
